Total Quality. Assured.

Test Report Number: SHAH01798751

Applicant: SHANGHAI HAPPY CHILDREN FACTORY
NO.1002, XINJIANFENG,
JINGYANG VILLAGE,LANG XIA TOWN,
JIN SHAN DISTRICT,SHANGHAI

Date: 11 Apr, 2025

Sample Description:

One (1) group of submitted sample said to be :

Item Name	:	RIDE ON CAR
Item No.	:	A003
Labelled Age Group	:	37-95 months.
Packaging Provided By Applicant	:	Yes(Art work)
Goods Exported To	:	EU UK.
Country Of Origin	:	China

****

Tests Conducted:

As requested by the applicant, for details refer to attached page(s).

****

Conclusion:

Tested Sample	Standard	Result
Submitted Sample	EN IEC 62115:2020+A11:2020- Safety of Electric Toys Excluding the Clause 15.4,Clause 15.5, 19.2, Annex E	Pass Subjected To Remark Enclosed
Submitted Sample	BS EN IEC 62115:2020+A11:2020- Safety of Electric Toys Excluding the Clause 15.4,Clause 15.5, 19.2, Annex E	Pass Subjected To Remark Enclosed

****

Tests Conducted

1 Safety of Electric Toys

As per European Standard on Safety of Electric Toys EN IEC 62115:2020+A11:2020
Applicant's Specified Age Group for Testing: For 37-95 months
Power source: Vehicle: 10.8V, 5 Ah, Li-ion rechargeable battery x 1 pc
Charger: type: Input 100-240V A.C. Output 12.6 V D.C. (Provided)
Electric Operated Function: Battery powered LED light, Sound, motion.

Clause	Requirement	Assessment

Test Report Number: SHAH01798751

Tests Conducted

Clause	Requirement	Assessment
	electromagnetic radiation Measurements methods are given in Annex I.	
Annex A	Experimental sets	NA
Annex B	Needle-flame test	NA
Annex C	Automatic controls and switches	NA
Annex D	Electric toys with protective electronic circuits	NA
Annex E	Safety of electric toys incorporating optical radiation sources	See remark(4)
Annex F	Flowcharts showing the assessment of optical radiation safety of LEDs in electric toys	--
Annex G	Examples of calculations on LEDs	--
Annex H	Explanation of the principles used for the requirements of Annex E	--
Annex I	Electric toys generationg electromagnetic fields (EMF)	P
Annex J	Safety of remote controls for electric ride-on toys	NA
Annex K	Flow charts showing the application of Clause 9	--

Abbreviation: P = Pass NA = Not Applicable

Remark:

(1) Only the English version of the marking and instructions were assessed. According to the standard, instruction sheets and other texts required by the standard shall be written in the official language of the country in which the product is to be sold.
Below are additional information according to the requirement in Toy Safety Directive 2009/48/EC relating to marking of toys and do not constitute requirements of this European Standard:
The manufacturer's and importer's name, registered trade name or registered trade mark, the address and type, batch, serial or model number or other element allowing their identification shall be indicated on the toy or, where that is not possible, on its packaging or in a document accompanying the toy.
After checking, it was found that:

	Toy	Packaging
Manufacturer's name	Present	Present
Manufacturer's address	Present	Present
Importer's name	Present	Present
Importer's address	Present	Present
Product identification code	Present	Present

(2) Applicant needs to ensure that components used in toys shall comply with the safety requirements specified in the relevant standards.

Applicant needs to ensure that battery charger for toys shall comply with IEC 60335-2-29:2016 and Annex AA of that standard.

(3) Applicant needs to ensure that the secondary batteries supplied with electric toys shall comply with IEC 62133

(4) As requested by the applicant, the Annex E was not assessed.

Date sample received : 13 Mar, 2025 & 09 Apr, 2025
Testing period : 13 Mar, 2025 to 09 Apr, 2025

End Of Report

The statements of conformity reported have considered the decision rule agreed, namely that Intertek have taken account of measurement uncertainty as calculated by Intertek, and applied according to ILAC-G8/09:2019 (Non-binary acceptance based on guard band w = U) except designation from the customer, regulation or test specification. This decision rule only applies to the numeric test results.
The sample(s) and sample information hereto are provided by the client who shall be solely responsible for the authenticity and integrity thereof. The results shown in this report relate only to the sample(s) received and tested. It is not intended to be a recommendation for any particular course of action. Intertek does not accept a duty of care or any other responsibility to any person other than the Client in respect of this report and only accepts liability to the Client insofar as is expressly contained in the terms and conditions governing Intertek's provision of services to you. Intertek makes no warranties or representations either express or implied with respect to this report save as provided for in those terms and conditions. We have aimed to conduct the review on a diligent and careful basis and we do not accept any liability to you for any loss arising out of or in connection with this report, in contract, tort, by statute or otherwise, except in the event of our gross negligence or wilful misconduct. This report shall not be reproduced unless with prior written approval from Intertek Testing Services Wuxi Ltd.
